

# DORO LUCENT<sup>®</sup> Disposable Skull Pin

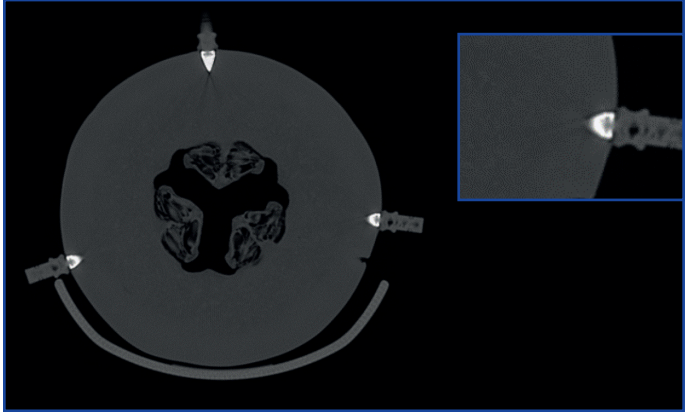

# A new class of skull pins

A new class of imaging skull pins has arisen, producing less artefacts and better imaging results than anything seen before. Designed to take the lead in this class, the DORO LUCENT® Disposable Skull Pin provides a highly visible advancement compared to the already good imaging results of the DORO® Titanium Skull Pin.

## The DORO LUCENT® is:

- Developed by experts in neurosurgical equipment.
- Reducing imaging artefacts to an absolute minimum.
- Stable and secure due to its unique mixture of radiolucent and titanium components.

## The perfect balance

of imaging quality and overall pin stability.
